

KB-350e

Professional 21-key office keyboard

Genius releases its latest “e” series multimedia keyboard for Windows Vista, **KB-350e**. This **KB-350e** with low profile keycap structure decrease typing noise significantly. It provides instant access keys for office, Windows Vista, internet and music/video playback. The popular express keys include Flip 3D, Screen lock, Photo gallery, Auto search for Vista, Word, Excel, PowerPoint and Print program for work in office, MSN, Mail and My favorite for Internet.

Additional features include a water spill function to prevent any accidental drink spills, and a keyboard stand design to save desktop space. Contact your sales representative for more information.
